Rc.No.3197 E3/49 dated 30-12-1949.

Sir,

Sub: Education - Sandur State (defunct).

I have the honour to submit that Education was imparted free the Sandur State upto the Matriculation ~~Standard~~. Consequent on the merger of the state with Madras Presidency it becomes necessary that th regulations in respect of schools in the Madras Presidency have to b followed in respect of the schools in the defunct Sandur State. But considering the fact that it would be a hardship for students who were pursuing their studies on the date of merger if they are now asked to pay fees, it is recommended that those who were enjoying the concession on the date of the merger may be permitted t enjoy the same till they complete their secondary school course on the analogy of Pudukottai pupils. Vide G.O.(Ms)No.2246 Edn. dated 12-7-49.

Yours faithfully,

Ref:- your Re. No 3197 E3/49 d 30-12-49 regarding the continuance of free scholarships enjoyed by students in ~~Schools~~ in the Ex-Sandur State

It is presumed that the continuance of free scholarsh and fee concessions is recommended only in respect of stude of the Secondary school sections of the Vidyamandir, Sandur, who were enjoying the concessions on the date of merger and n in respect of students in the elementary schools even though the ~~may~~ might have been imparted free education on the date of merger Please say whether the presumption is correct

Roc.No.1300 E3/50 dated 3-7-1950.

Sir,

Sub: MADRAS EDUCATIONAL RULES - Vidyamandir, Sandur - Collection of fees from pupils who were admitted after the date of merger of Sandur.

(I) /bsq Ref: G.O.No.814 Edn., dated 13-3-50.

A question has been raised as to whether fees have to be collected from the pupils of the V Class who were admitted into the High School, Sandur on 1-6-1949 after their promotion from the IV Class of the Primary Schools. Education upto the completion of Secondary School Course in the merged State of Sandur before merger (from 1-4-49) was FREE and it was ordered in G.O.No.814 Edn., dated 13-3-50 that pupils newly admitted would not be eligible for this concession.

2. As the orders of Government directing the levy of fees from pupils admitted into the School after the date of merger (1-4-49) were passed only on 13-3-50 - long after the merger, it would be unfair to levy fees from them with retrospective effect.

Sanction may kindly be accorded for the collection of fees from the pupils of the V Class who were admitted in the High School on and after 1-6-1949 from the current school year only (viz. 50-51) and for the waiver of fees due from them for the year 1949-50.

I have already issued instructions as indicated above in anticipation of Government approval.

Yours faithfully,

for Director of Public Instruction.
